“ *I was a grade ahead of Jake at Clarion High School. I moved to the city for college after high school, but we kept in touch over the years. Two years ago I worked part time at TTSR for the summer. I never got to work with Jake but we would text each other occasionally. I felt bad when I left Clarion and TTSR because I didn't get to talk to Jake as much. I couldn't make the viewing because of work. I tried to reschedule my patients but it was too short of notice. I feel so terribly sad and regret wasting opportunities to see/talk with Jake. I feel the same way I did when I lost my father. I send my deepest condolences and I will pray for your family.*

“ To Lana, Bird, Andy, and Ashley, my condolences go out to you all for your loss. Jake was a great friend, from elementary school, the Sorce days in Little League, and through high school. He was always there with his unmistakable laugh and smile to liven up the mood. I'll never forget the good times we had growing up. My prayers go out to your whole family during this difficult time.

“ *Phil, Lana, Ashley, Andrew and family;
Our thoughts and prayers are with all of you at this very difficult time. Jake was always very polite anytime that we ever talked to him when out with his clients. He was a kid of few words most of the time.
God has a plan for Jake that only he knows what it is but know that he is among his loved ones that have gone before him and that the reunion between them is definitely a joyous one. God bless each of you and may God put his arms around you and comfort you in this time of sorrow.*
