“ To Jim's family,
We attended Keystone High School and graduated a year behind Jim. Denny played football with him also on the Keystone Panther team with "Big Red" as their coach, so needless to say there are many football stories as well as other school memories, as he was such a character! We were shocked at his passing, and he will be missed! May our loving God provide peace, strength, and comfort that only He can give to you all at this difficult time!

“ I didn't know Jim well, and had only met him a few times. He was a friend of one of my boyfriends from many years ago. One day, they stopped by the house while I was baking Christmas cookies for a client's party. Jim said he'd do just about anything for some of those cookies, to which I replied he'd have to do a handstand, because these cookies were spoken for. To my surprise and delight, Jim did exactly that, earning a plate of those cookies.

I'm very sorry for your family's loss and can't imagine how difficult this must be for you. Jim seemed like a good natured, larger than life sort of character, and I have never forgotten our few encounters. I'm sure you will miss him terribly. Your family will be in my thoughts.

Growing up in Hasson Heights, Oil City, Jim, along with his brother, Tom, were friends of ours (my sister, Rita and me). He was one of the neighborhood kids. We played together, went swimming at our local pool and just had some good times together. I'm very sorry for your loss, RIP, Jim...
