“ Dear Nancy and family. I read of Jim's passing and wanted to reach out to you. We shared so many days and hours doing antiques many years ago and it was always Jim and Mike who helped me carry things for the shows and such. He was always there to be helpful and always had that warm friendly smile. I guess that smile says everything about Jim. he was always ready to share that warmth with those around him. YOU are lucky to have found such a man and to share so many years with him. I hope you are doing ok and out thoughts are with you. Sincerely, Carol (Chapman) Harris

“ Dear Nancy and Family,  
We are so sorry to hear of Jim's passing. Jim was one of the good guys in this world.  
Jim and Lee played chess, rode to Clarion together and formed a close enough friendship that Lee asked Jim to be his best man. And Jim's passing comes just over three weeks before our 50th anniversary. But you two had a good life together with many fond memories, and much to be thankful for.

Sincerely,

Pearl and Lee

“ So very sorry for your loss. I remember Mr. Greenawalt as a child growing up in Philipston [lived beside the railroad station] He always said hello and always had a smile.
