“ Jan came into our lives in 2007, when We were living in New Bethlehem. She arrived with her son, Matt Moran and her Husband, Felix Gutierrez, from Georgia. We were a Family of 5 living in a Creekside farmhouse at 223 Race Hill Road, Putneyville. It was a happy time as Jan and her son and husband readjusted to life in Pennsylvania.

Brother John Ash also lived next door. Brother Ron enjoyed having his family around him. And Me, I finally had a Big Sister!

During their transition to Pa., Jan was being inflicted by MS. She was struggling and needed professional helpful Doctors. Whom she desperately sought out.

How I miss you, Jan. Love, Tris Corey-Barker.
