“ I was so sorry to hear this. Janet & I were good friends inn high school. We chatted on line in February. She was happy with her life & pets. She was prepared to fight this cancer. Unfortunately that didn't work out. I have good memories of her. Prayers for her family during this difficult time.

“ So very sorry for your loss. I will miss her dearly. Even though we hadn't seen each other for a few years, she was my best friend. I have seen so many dragonfly things since her passing and memories keep coming back. She was a special person. My prayers are with you all.
