“ Janice was a dear Classmate of mine, Graduating with me, at Clarion High School the Class of 1954. In the school at that time we mostly were seated Alphabetically, an being my last name started w/B and hers was C. So most of time, she set right behind me. So of course we did a lot of talking. I will never forget the nice red hair she had. Now in closing , I want too give my sincere Condolences to the Family or Janice Callihan.
