“ *I am very saddened to hear of the passing of my dear old friend. I was told about his death by my parents who recognized his name in the paper. Unfortunately, I could not get time off of work to attend the funeral, but my thoughts and prayers are with your family. John was an all-around great guy, and he and I as well as his brother Bill had some great times together in the past. I regret that with moving out of state to Virginia, and then moving back to Pittsburgh, I had not kept in touch. It was often that I had thought about taking a trip up to get back in touch. Unfortunately, I thought there would be more time. Time can be very cruel...we must seize the moment's of life every day.*
