“ John was a wonderful man whom was my daddy's best buddy. He became like a second dad to me, as he would lecture me on taking better care of my car. The last time I seen john was at my dad's funeral... I remember running to him and felt comfort and he hugged me. I loved him. Eileen, may God wrap you in his comfort at this time. Much love Kathy , Donna and Jimmy Whittington.

“ He was a very care Father. When I married his son John he treat my children and later on the Grandkids as if they were apart of his family....my kids loved him. He waa always teasing him or was jingling his change in his pocket. I never meet a man that had more energy than he did always doing something. I loved listen to the stories how things were in the back in his day. I was very sad to learn of his death on Facebook. He was a kind caring man that always helped everyone. May his soul rest now in peace with his sons John, Scott, and Grandson Devin by his side. Bryan is going to be wondering where his Cadillac is...love you ...you will be sadly missed.
