“ I would like to express my very deepest sympathies to the Uzmack families for the loss of Joe. Though I had not talked with Joe and Twila for years they have remained in my precious memories of working at Opryland USA with them. How amazed I was that they would drive every weekend from PA. to Nashville to work Summer jobs. They touched the lives of so many people from across the United States and around the world. What a love they had for each other and all the people they came in contact with. I remained with the Company after the closing of our dear Opryland and have finally retired in 2019. My love and prayers to the family. And May God Bless the memory of Joe. Lisa Dial Minix, Murfreesboro, TN.
