“ *From: Gary Thorne*

I am a friend of the family and I just wanted to say how much I will miss Judi. Although I didn't get too see her often she was always sweet to me and treated me like one of her own kids. I often called her my second mom. Indeed she never missed sending me a birthday card and often messaged me on Facebook. I will miss those cards and those conversations but I will always have the memories of their content and the love that she extended me. I will miss you....my second mom....and I know you are in the loving arms of Jesus. Rest in peace sweet lady.....

“ *Judi and I spent the last couple years traveling to Pittsburgh for unrelated doctor appointments. Our conversations covered so many topics there’s no way I could list them...through those conversations her and I (I felt) got closer and developed an understanding between us...I’m so glad we had that time together and will miss her every single day*

“ To the family, my heart breaks for you all during this difficult time! Judith fought a hard fight and some may feel that she gave up, got tired or quit, no, not Judith, she won, she has gained her wings, she is pain free, she is in the arms of God, she is reuniting with family and friends whom have gone before her. It's difficult for those she left behind, but one day she will greet you all again! I know that the bumblebee isn't supposed to be able to fly, but does, just as Judith pushed through every day with love and determination, she now flies among the angels! My love and support to you all and my prayers are filled with blessings to each person that loved Judith! ❤️

“ Thank you Judi for being such an influence on my life, as well as a wonderful and loyal friend. I really loved you and will miss you greatly. I wish I could think of something profound, but substance always meant much more to you than fluff and posturing. You were a woman of substance - and I will miss you substantially!

“ I'm a friend of Marrijane's. I'm so sorry to hear of Judi's passing. I met her only twice. Once in England where Marrijane and I were stationed together, and again many many years later at MJ's Uncle's funeral, when I just happened to be in Clarion that day. I got to talk to Judi on the phone this past October. She was already in treatment, and when I asked her how she was doing, she said "I've been worse". I was speechless after that... She was such a sweet lady. I know Marrijane is grieving hard, and that makes me grieve. My deepest condolences to the whole family.
