“ *Judy was a strong leader and mentor to the Sorce team. She helped to create the hardworking culture that still exists there today. We will never forget her sipping coffee in the mornings as she went over the daily order edits – or the way she would come around and greet us with those edits in hand. She taught us a lot – she taught us to take pride in our work and in the quality of our work. She gave opportunity to a lot of good people. Thank you Judy! You will be in our hearts and souls forever.*
