“ Sue Was such a wonderful person, very likable and always nice to talk to. She lived beside me for a few years and I got to know her better. I would always see her and her dog Maggie walking up the alley in front of my house and around the block they would go. One time I saw Maggie going up the alley and I looked for Sue and she was standing on her porch looking for Maggie and I said she just went up the alley and that dog went around the block all by herself and came right back home and Sue and I just stood on the porch and laughed and laughed. She sure is going to be missed in the neighborhood and a great neighbor to me. RIP Sue fly high with the angels.
