“ *I just heard of 'Mud's' passing. He and I were best friends when we were kids and hadn't talked in many years. I gave him the name MUD after Mud Waite who owned a hardware etc. store. Won't say why. His birthday was 3 days before mine. Please accept my heartfelt condolences. I have fond memories of my times with him.*

“ *Dear Suzie, Karl Dean & Larry,*

We were so sorry to hear about Karl. A relative from Delaware heard through somebody and emailed us just today. We let way too many years pass without making contact. He and my brother Lanny were real close in age and good buddies when they were young. I always enjoyed his company, and he made a point to stop in and visit my mom and dad when they managed the campground in Tionesta so many years ago.

*Our sympathies,
Heather & Cindy Hawk, and Selene (Hawk) Leyda*

“ *Suzie,*

I was so sad and so very sorry to hear of Karl's death. I remember when he was a newspaper delivery boy for Dad and of course, the times we all had when the guys were firemen.

I was thinking just the other day of the time you and Karl surprised me by bringing Mom (and a real live Christmas tree!) with you to Florida for Christmas and the fun we had.

Keep your good memories close to your heart and know that friends are thinking of you and praying for you, Tracy, and the family at this difficult time.
