“ To Kristin's family, I was so sorry to learn today of Kristin's passing. One of our mutual classmates, Mary McKissick, keeps me apprised of the comings and goings in Clarion. I remember fondly our mothers getting together for coffee and Kristin and I playing Barbie dolls in her big closet. I remember that Stevie's birthday is February 28; I think of all of you every Leap Year. I hold many memories of the Stroup family very dear to my heart. I pray that Kristin's passing was peaceful and now she is with our God. Although our earthly goodbyes are difficult, I truly believe we will meet again on the other side.

*God Bless, Suzi Harwick Frederick*

“ Please accept my deepest sympathy on the loss of Kristin. I have such good memories of our times in high school, but then we lost touch. I never heard from her after graduation. I'm so sorry to learn that she was living back in the Clarion area, and I knew nothing about it. It would have been good to see her again. I will continue to keep all her family in my prayers.
