“ I am so sorry to hear about this tragedy. I will always remember Kristy's great smile and quick wit. I didn't get to spend much time with her, but had some really good times kayaking with her and having her at our home. She was so full of life. This has to be so difficult for you. May the love of friends give you comfort and the love of God give you peace. I am so sorry for your loss of your very special girl.

“ Heather and I would like to offer our sincerest condolences. We haven't seen Kristy for many years now but remember her as a beautiful and happy girl. We are so lucky that your family treated us like we were part of the family years ago when we moved to Pennsylvania. It was amazing becoming "cousins" with Kristy and Karley. Kristy was a beautiful life lost too soon, but she is at peace now. Your family is in our thoughts during this most difficult time.

“ Sending my prayers and love your your family Ms. Deborah, you may not remember me but me and Kristy were very close our senior year. She was my support system, my back bone. she was a true friend. I didn't have many but your daughter made me feel beyond special. I'll deeply miss and love Kristy FOREVER! I remember coming over and Washington clothes and you cooking spaghetti and biter (the cat) scared me on the couch. Your daughter was a beautiful person with an amazing spirit. “ It's hard to find the words to explain how much I will miss Kristy. We were co workers who became friends. I always look forward to visiting here were I would travel north to our camp near her home. Her friends and I are but able to make it up to say goodbye so on Wednesday we are holding a small memorial service in the park where we would go with her. May so rest easy! Good bless her family and friends. She was always be in my heart.
