*Wanted to express my condolences to your family. I was a nurse at McKinley and truly enjoyed Jean. One of my favorite memories of her was when I got to work one night she was sitting in the hall and I told her she looked pretty. She looked at me and said “I always do”. I agreed with her and she said “so do you”. She had a heart of gold and even though I know how hard it is for you to say goodbye please remember she is at peace now and truly loved her family. She was a gem and may your memories of her live on.*
