“ Hello extended Bish Family- I am sorry I could not be there in person for Larry's services, but you were all in my thoughts and Prayers. Larry was not a patient but more like a family member to me. I always enjoyed speaking with him and he never failed to ask about me and my family no matter how he was feeling. He had a way to make you feel at ease no matter what he was feeling physically or emotionally. I will truly miss our conversations but know that he was ready to go and be with Sally again. I know he loved you all and I know he is in a better place. Love Bob Usaitis and Family
