“ *Trudy, I am so very sorry for the loss of Max. I just learned tonight of his passing two days ago. I have had a soft spot in my heart for Max since the days long ago when he was married to my sister. You and I have known each other since I was 17, and Max couldnt have found a more beautiful lady inside and out to share the rest of his life with. You two were truly meant for each other. He was always smiling, always happy, with such a possitive attitude, and those great funny one liners of his, and that laugh....the world lost a wonderful man, but heaven just gained a treasure. Love you so much Trudy ❤️.....
