“ Jackie, Kevin and Cody,
When someone that we love dies, part of us dies too and goes with them. Wherever they go, we go too. They're not alone. So very sorry for your loss. My heart breaks for you. May God comfort you and hold you in the palm of His hand.

“ *My condolences to the Bonnett family. Lindsay was always full of life and fun to be around! She spent some time in High School at my house, with my daughter, and would always talk to me about anything. Later in life, she would always come up and say "Hi" and talk for a while. She will be dearly missed. She was a good person.*
