You may not know this, but, Aaron was a great friend to me my entire educational journey. We would laugh, hang out,..he was a great friend.*

*So great, that in 2001, I named my son after him. (Named him Aaron, but, spelled differently.)*

*When I told him, he was floored!! Now, as my son is 23, I can look at him, and think of Aaron. His great friendship for years, and how much he impacted my life. Thank You for all of those memories. I will cherish them for the remainder of my life.*
