“ We send Lucas' family and Jennifer's family our thoughts and prayers during this very sad time. We had the privilege of meeting Lucas only a few times when we lived in the US but they were memorable and we are saddened at the passing of such a thoughtful, bright and charming man. He will forever hold a dear and special place in the heart of all of those that met, knew and loved him.

“ I wish to send my deepest condolences to you and Jennifer in your loss. I was not able to get to know him as well as I would have liked, but I know how Jennifer felt about him and that was my connection. He visited me in Laurinburg, North Carolina with Jennifer and her family on one of their trips to Myrtle Beach and he was so kind, thoughtful and full of laughter. It was a joy to be in his company even for that short time. May God lift you in His love and grant you peace and comfort. Sincerely, Nancy Ivey (cousin of Lanea Burns).

“ Walter, Nancy, Laura, and Lindsay - This is a sad day for everyone indeed. Lucas was a great friend, brother, son, and overall a genuinely good person. It's not often you find someone in the world with a heart of gold like Lucas. He was always willing to lend a hand, always eager to laugh and share jokes, and was someone that we were both so very blessed to spend time with. He felt like he was family and it was obvious he had that effect on many people. We all must stay strong and remember all of the good times we had with him. We love you, Lucas.
