“ We both offer our condolence to all of Mabel's family and friends. I am very glad that we took the time this summer to visit both Mabel and Silver. It is a very fond rememberanc of coming to the farm every summer. My father truly enjoyed any time he spent with Silver and my Mom enjoyed the kitchen time with Mabel. We were going to try to make the funeral service but with the weather advisory I am not sure we will get to see you folks but I will be back in touch.
