“ So sorry to hear of Marilyn's passing. When my memories take me back, I always enjoy remembering my summer days, at the farm. Marilyn and I could dream up some pretty silly games. I loved helping her mom, (Aunt Arlie) with vegetable canning and just running free. She will be missed!!! Our thoughts and prayers are with William, Kathy and her dad Todd. Don and Cheryl

“ I will miss you but know you are in a much better place with mom and the grandparents. Will always remember our times together geocaching. You were a great navigator on our treks to find the proper coordinates. Always enjoyed when you and Kathy sang together, beautiful. Now your voice joins the angels.

“ My dear sweet beautiful Sister...Heaven is a little brighter now with the arrival of their newest angel. Although I am missing you dearly, and my heart is breaking, you now have that peace and quiet you always talked to me about. No more pain, no more stress from anything, or any..one... You have been welcomed by the Lord, our Mother, and Grandparents into heaven with open arms.... You will forever be singing with your beautiful voice, and dancing up a storm... You are now "Over The Rainbow". Your favorite song... I can still hear us sitting "way up high" in that tree at the farm harmonizing with each other to your song.... I love you to the moon and back...no one can ever take that away from us...
