“ Martha was always so nice to me as a teenager and friend of her daughter. She was always running us somewhere. I haven't seen her in many years. I hope that she did not have to suffer. I know that she will be missed dearly, but she is in such a wonderful place now in heaven. God Bless your family as you go through the grieving loss of your Mother.

“ I have only known Martha for a few months, and in those few months I became very close to her, she was a very easy going and a loveable person. She made me laugh and was the light of my life. We had alot of fun conversations...and I will never forget the first day we met, I have to smile everytime I think about it, and I know she would be too. I will never forget the little time we spent together, but she touched my life alot and I will always have a place in my heart for her, she will never be forgotten. She can be proud of her children, who have always stood by her side. She will be missed by all who knew her, and I thank God I had that chance also.
