“ Christine, Chloe, & Jim, We were saddened to hear of your mom's passing this week. I have many fond memories of her from my years in Kentucky when I would stop over and have delicious dinners that your mom and Judy prepared for me to our visits to her home both in Brackenridge when you were growing up and our yearly holiday visits delivering sausage in Natrona Heights to her and your dad. Your mom was so kind, pleasant and always positive. We so enjoyed visiting with her and your dad. Your mom's cookies were delicious and she always had plenty for us along with a tray of them to take home. Those were the good old days and we missed those fun visits with her and your dad. We'll always remember as the wonderful person she was and is now in God's loving hands. God bless her. Dave & Anna Mae Sokolowski and family

“ Our family’s condolences.
Our mother “Marge” was a resident in Shippenville for nearly 3 years. I remember your mother very fondly. Even with dementia you could see your mother’s kindness. ❤️

One time my daughter Abby brought her dog into the ward. Your mom must have been afraid of dogs at one time??? She wanted to pet the dog so bad. She walked up to the dog nearly ten times in a half an hour. She never did pet the dog, but it made her smile.
Rest in peace my kind friend.
