“ I was a resident at Children's Hospital and Peach taught me a lot about how to take care of sick children. When she approved of your work, you knew you had really done a good job. She must have helped thousands of children, and hundreds of young doctors like me, in her career. Condolences to her loved ones on her passing.

“ Dear Rosie and Shirley, I was so saddened and shocked to see Peach had passed. I didn't know she was sick. I will never forget all the talks and walks and phone calls and fun we had in high school. I was so sorry that we didn't catch up the last ALF before the pandemics. I thought about her often and wish I could be there for the funeral. Much love and prayers and tears are sent to you.
