“ Amanda and Mike, I am so sorry for the loss of your mother. Maxine was a good friend of mine who helped me get through a tough time with humor and joy and laughter! She would send me cards that expressed exactly what I was feeling , she knew how to get me out of my depression quickly and with love. I have missed seeing her for the last 8 years or more though when we would run into each other at different area stores it was if time had stood still. I will miss her but I will treasure her memory always... Mike, Marissa sends her love to you too... Deb (Young) Fitzgerald
