“ Bell Family, I'm sorry for your loss. I haven't seen Mike for about 20 years. I went to High School with him and partied with him MANY times in our younger days. I ALWAYS enjoyed talking to him, he was a hoot! He will be missed.

“ Michael Bell was a unique and special individual. He had a contagious smile, and he smiled often. He was always smiling like he knew something you didn't, and he was just waiting for the right time but the suspense was killing him. At work, he was always busy, running around, up and down, getting the parts out "cuz thats what ya gotta do". He was a highlight for me while working at Bev Air. He will be sadly missed I'm sure, by anyone that knew him. My sincerest sympathy goes out to Greg and the rest of his family. May you find peace in this time of sorrow.

I knew Mike for about 35 of my 43 years on earth. He was a best friend and neighbor too my father for 25 years. And a good friend of mine as well throughout the whole of my life. A lot of fun times spent with him and the rest of the crew at the Beer's place in strattanville over the years. I can't think of one bad thing I could say about him, and that's rare in people now a days. He was about as good a person as I've ever known. Miss you buddy. I know you and my dad will have a cool one waiting for me when I get there. Till then, Rock On!

“ Mikey was not just a coworker to me for 15 years, he was my “work husband.” He would do anything for anyone and never hesitated to show up when someone needed him. He had a way of making every day lighter with his humor, and there was truly never a dull moment when Mikey was around. I loved working alongside him and will always be grateful for the laughs and memories we shared. He will be deeply missed. I am keeping his family in my prayers and sending my heartfelt condolences during this incredibly difficult time.
