“ I worked for Mike as a sales rep at Clarion Communication from 2000 to 2003. I just recently found out about his passing. My sincere condolences. Mike enjoyed telling stories about his life experiences, hunting, Harley Davidson motorcycles, and making gun stocks. Although I am 23 years younger, we shared some common interests. Many times he would call me into his office just to drink some coffee, have a cigarette, and talk about these things. He was a good guy to work for.
