“ *To the family that Mike left behind. I had known Mike almost 50 years. When I married my husband Karl he was just a boy. Every weekend when we came to our trailer I watched Mike grow up into a wonderful young man. He was always with the Whitton boys and they would all come over for Pizza that I made on the weekends. We were there when he and Sue were married. Upon her death I felt his pain. Now he is in peace with no more suffering and with Sue in heaven. May God bless you all and give you strength to go on without him. His memory will be with us all.

“ Dear Brandon. Our hearts go out to you and your family in this trying time. Life is a complicated and fragile thing. Just to share a thought...Last summer when Ron had to go to UPMC for radiation treatment, I was sitting in the empty waiting room for him to be finished when a young man came in and SAT RIGHT DOWN BESIDE ME. I thought to myself, why would he sit beside me when the whole room is empty. I sneaked a look at him and I said "Mike?". He said "Yes, I thought it was you." We had a few chances to talk when we saw him there a few more times. I will always cherish that he walked in and sat right down beside me. His warmth and smile was his trademark. “ My dear brother, words cannot say how much I loved you. How I tried to heal you but it wasn't meant to be. God called you home. You smiled when I said you will see Sue there and we will see each other again and go fishing in dad's boat. A part of my heart went with you. May you rest in peace. I love you.
