“ Deb, Vic and I are so sorry for your loss. This isn't how your retirement should've started. I'm praying that God our Father will give you and your family strength and extra love in this trial. I can't imagine what you're going through. You've been in my thoughts and prayers since I heard that Mike was in the hospital. He'll never be forgotten.

*Much love,

“ Mike was definitely one of my best friends, always helping me with my car, and anything else he could do. Mike was one of the most giving I'd ever known.

After I'd learned, Friday night that he wasn't expected to make the night, I thought about things he had helped me with. I teary eyed started cleaning under my car, seeing constant reminders of Mike. Things he welded, made , installed, and help repair. I can currently only find one picture with him, it was after he created a rescue plan when my car failed. He found people to make that happen, they came 200 miles to get me back. He didn't need to do that, but he did.

Mike will be missed by me, as well as many more.

A GREAT FRIEND !!
