“ Oh aunt Weezie, what a unique woman! If you wanted to know how it really was she was the person to tell you or even if you didn't want to hear it, she would tell you anyways. A wonderful sense of humor and stubborn by nature. There are many laughs and memories that I will hold dear!...Mommy, I wish I was there to comfort you, just to be there by your side for support but you know I love you and my thoughts and prayers are always with you. Doris, you were/are a good faithful daughter and wonderful person which you will be rewarded for someday. To all of you, lean on each other for support to get through these rough days ahead. Don't mourn her too long for she is in a much better place now, but rejoice in memories which I know you all have lots. Share your stories and know that a little part of her will always be with each in every one of you.
love to all, thoughts and prayers,

Deb

“ My dearest Louise - God bless you! I'm glad I had the opportunity to be a part of your life! You were very special to me and I'm going to miss you terribly! I loved the way you would light up everytime you saw me, and I'm thankful for the close bond we established and shared. You were a wonderful woman and I'm going to miss your sarcasm and straight forwardness, and how you could always bring a smile to my face. The memories I will forever cherish and a part of you I will always carry with me! God rest your soul and peace be with you! I love you! "As a believer and knowing Jesus, death is not a frightening and tragic event but the first step into eternal life. God's word reveals that Jesus has conquered death. Because of Jesus there is an open door that is there to usher us into God's magnificent presence." Thoughts and prayers I send to all the family in this time of mourning.
