“ It was an absolute pleasure getting to meet Mildred and spend time with her over the past few months. I loved seeing her beautiful face every morning, and I loved her tenacious attitude. She wasn't always able to tell you what she was thinking, but somehow you always knew. So saddened to not see her face this morning, but so very thankful that she is no longer in pain and is finally at peace. Our sincerest sympathies to all of her family, may god guard your hearts and remind you of all the special times you had together. She will be truly missed, her family will be truly missed. God Bless...
