“ Just happened upon this sad note and while it's months later, was moved at the passing of yet another SCHMUDE over these last few months. Hence may Natale and all of the dear SCHMUDE's who left us recently, REST IN PEACE.....from BRYANT SCHMUDE of the SCHMUDE's who came to SW Pennsylvania from Prussia up near The Baltic Sea in 1894.

“ I miss my mom so much. She was my best friend. My rock. My backbone. I'm so lost without her. There's no words that can describe the grief I'm dealing with. Mum didn't have a true bad bone in her body. She was an amazing person. She graduated with honors for becoming a paralegal. She was so smart. Loved exercising and cleaning. And she loved her kids more than anything in the world. We talked weekly. Along with her sister Nicole talked every couple days. Were lost without you mama
