“ *Amy and Family;*
Our deepest condolences to you, and your family. Mrs. H was one of the nicest women ever. She treated us like we were one of you guys. I'll never forget living behind you guys, and you guys living behind us. The fun we all had at times.
I know mom is in great company up there now as she, too, recently left this earth. At least I know that we are all being guided by some pretty awesome angels. And that makes me so happy and joyful. Because both your mom, and my mom, were angels on this earth that spread love and happiness to so many people. Again, Mrs. H was one of the best people on this planet. She will, truly, be missed.
