“ *To Peach and family,
We were surprised at the passing of Pam. We got to know her a bit just from neighboring once in a while across the yard from your mom's over the years. Loved her sense of humor and talking with you guys. Know that you are in our thoughts and prayers for our Lord to wrap you in His loving arms and give you the strength, love, peace and comfort that you need especially at this difficult time.*

“ So sorry to hear about Pam's passing. I was one of her classmates at Clarion Limestone, and don't believe I had seen her in quite a while. It appears she was very involved in the motorcycling community, so I may have been around her and didn't realize it. My deepest condolences.
