“ I'm sorry to be coming in so late but I just found out that Pam had passed away last night. Came as a total shock. I enjoyed working with Pam for 16 years at Sealy. She was one of my favorite people because she would tell you stuff straight up and was always up front about everything. As soon as she found out my job at Sealy was going away in June 2014, she sent me references and contacts and said she would be glad to do anything she could to help me find a new job. She was an amazing coworker and a good friend and just an all around lovely human being.

“ It is so hard to believe you have been gone a week. I keep wanting to pick up the phone and call you. I miss you and love you so much. Being with you was the highlight of my life. I know my life was so much richer because of you. You never said no to anything and you were always the first one there when something was wrong. I hope that some day soon you can look down on what I've done for you in my backyard. It is a daily rememberance of you and just how much you meant to me and my family. Rest up my sweet friend, I will see you again. "It's been a long day, without you my friend and I'm going to tell you all about it when I see you again"!! "When I see you again." I love you. . .

“ My heartfelt condolences to Pam's family. We were friends for many years and shared many adventures from our travels to the Biltmore, the beach, the mountains to swing dancing lessons, movie weekends, cookouts, and shopping sprees. I am a better person for having been her friend. This is an unbearable loss and I will miss her terribly. I love you, my friend.

“ My friendship with Pam goes back to our days at the Sealy manufacturing plants. Our friendship was destined to continue as we both found ourselves in Trinity, NC working at the corporate level. Although there were times we didn't interact much, we could always pick up right where we left off. She was a good friend who you could tell anything - we laughed, we cried, we fused, we shared our single parent stories, and were just ourselves. Thank you for sharing her with us over these many years. She was and will continue to bless us more than you know. Lots of prayer, love, and hugs to all of the family.

“ JR, Kim, Craig - Words cannot express the sadness of losing our precious friend, colleague and "Momma Bird".

JR - your Mom, your biggest fan, is SO proud of you...and lordy mercy, how she loves those grandbabies. If she was ever feeling down or sad, just mention Livia or Alex - and oh my, how those eyes would light up and the smile - unbelievable!!

Kim & Craig - the love for you two, along with her nieces and nephews....wow!! NEVER doubt her love or how proud she is of ALL of you!!

Fly high "Momma Bird", keep an eye on your chickadees...we love you, more than you could ever imagine - and we will try our best to make you proud. Until we meet again...

“ My condolences to Pam's son, and family. I enjoyed working with Pam for the past 12 1/2 years. Pam was very smart, always full of spunk and dedicated to Sealy and her Sealy family. I have many fond memories of traveling to pilot builds at our Sealy plants with her. Loved her quick wit and she was ready to laugh. I will miss her.

“ My heartfelt condolences to Pam's family and friends for their great loss. I see the pleasant smile of the pretty young girl I knew growing up in Limestone each summer. Our mutual good friend Bill Guiher tells me as recently as last week Pam still had a positive attitude towards life. That is how we should all pass from this one to the next.

“ Kim, Craig and J.R. Your Sister/Mother was one of the "best" God's seems to take the best one's early. Pam and I had dinner together here in Burlington not too very long ago. She was so very positive and had such a good attitude. I don't know why God chose to put her through this trial, but his own son Jesus, also went through some hard stuff. I know for a fact how great Pam's faith in Jesus Christ was and I have no doubt that she is walking with him now. God bless and comfort you all in this very hard time. Much love and prayers. “ The last time I saw Pam was 1975. She came up to the dorms and spent the night. We talked all night and I always treasured that time. It's pretty great when you can grow up with someone in church and Girl Scouts and grade school and still connect as young adults. What a special person and so beautiful inside and out. I just wish I had seem her again. God Bless Pam and everyone who loves her.
