*“Life seems hard to cope with
when a loved one has to part
Treasure your cherished memories
and keep them in your heart
Although we know at a time like this
comfort is very hard to find
Think daily of those memories
and they'll bring you peace of mind”*

“ *Sending hugs and sympathy to Pat and the family. I choose to remember Paul sitting on the floor in my kitchen when he was a half grown kid watching my sisters and me play jacks. We always tried to get him to try it but I think that he never did. I know that he will be missed by family and friends. Please cherish those wonderful memories. God bless each of you.
