“ *John & family: I am sorry I was not able to come to the calling hours. I only knew your Mom for a about a year, but in that time I came to really care for her. She was such a sweet lady. Her beautiful eyes and warm smile just made you want to be with her. The other residents told me how she would just light up when you came to visit, and what a wonderful son you are. My prayers are with you & your family.*
