“ Quite a while ago we would spat and feud but as the years grew so did a friendlier friendship. We know you're up there in heaven you'll be sadly missed. To the whole family you have our greatest sympathy. She'll be smiling up there in heaven. A beautiful lady she was and she'll always be beautiful up there in heaven.

“ MY thoughts and prayers go out to Penny's family. She was a long time friend. I would run into her occassionally at Walmart and she always smiled and asked how everyone was. I will miss that. Take comfort in your memories and know that she will always have a special place in your heart.
