“ *I was so sad to hear of Rick's passing. I want to offer my sincere condolences to the family as well as to all the many friends Rick cultivated throughout the years. My Late Husband Nick Cherico and I were especially blessed to have Rick as a neighbor and friend. During my husband's illness and hospice, Rick visited him everyday and sat and talked to help pass the time. That was a blessing and will never be forgotten. May he now be at peace. Until we meet again old friend.*
