“ Bob and I and a couple other guys shared a mobile home during my 2nd half of my freshman year at Clarion. This was Jan thru May of 1970. We had some wild parties back in the day. We would stay up late on the weekends and listen to the Beatles, and play the records backwards trying to catch the “hidden” words and meanings. Bob usually drank beer or gin, from what I remember. I am sorry for your loss. Bob was a great room mate. He was working at Jamesway, shoe Dept at the time. If you would like to connect, swesterlund@centurylink.net

“ I have known Bob since the mid 60's when first came to Clarion and throughout the years. Just spoke with him a couple of weeks ago on the phone. He was a true gentleman who had integrity and fairness beyond the norm. He cannot be replaced, as there are few like him. My love to his family.
