“ *My husband Don (who passed on September 15, 2021) and I were best friends with Don and Sandy for many years. My Don and Don Himes were best buddies from high school till now. I became friends with Sandy thru association. During the first couple years, the four of us spent a great deal of time together. Mainly, because none of us had much money to waste. After my husband and I moved to Georgia, we still came back to PA every year to see family and friends. Sandy and I were separated by many miles but always close in our hearts and minds. I have greatly missed my dear friend over the past couple years! Mainly due to Covid, I shall miss her but I know she's with me in spirit. My sincerest condolences to the entire Himes family, of which Sandy was so very proud. Always .....Cheryl Lynn Kahle*
