“ To the family of Sandy, I wish to send my condolences. I was a sister-in-law to Sandy while I lived in Rimersburg, married to Jim Stewart. We were very good friends while I lived there.

“ Dear Tammy, Barry and family,  
I got to speak with her not long before she passed, as you know when we took her to the hospital. She appeared to have a peace beyond all understanding. She was enduring a lot but still was so gentle and peaceful as though nothing was wrong at all. We talked a lot in that short time. She did not seem to have any fear at all. This peace could only come from God alone! We are never ready to lose someone that we love so very much on this earth. She won the fight for heaven and will now live for all eternity! She was a very nice woman, that God put here to share with many people, as well as a dear mother and grandmother to you all. May the comfort of God be with you all through this very trying time, as you cherish her memories. With deepest sympathy to your family.

“ During our heartache- we must remember "to be absent in the present, is to be present with the Lord". Heaven gained an angel - an angel who is joyfully embraced by her beloved husband, Frank.

We take comfort in knowing that one day, we will be united together again with Sandy and our Father in heaven by the salvation of our Lord and Savior, Jesus Christ.

We love you, Aunt Sandy.
