“ Such a shock to hear of your sudden passing. God needed more Roses in his garden above, so He picked one of the Best to add to His Heavenly Bouquet, right beside your beautiful mother. Life hands us lots of surprises, "good and "bad" This one not so good, but you can rest now and wait for the rest of us to journey on. You will be missed for sure, but do me a favor, say hello to my son Allen for me. Each year more of his friends he knew on earth, join him up there. Sing hymns around the great white throne and enjoy until we complete the circle one day. Sending love and prayers and best wishes to those you've left behind, cousin, Joy Bowser.
