“ Dear Sheila, Short, and other family of Shawna,

I was shocked, as I'm sure you were, to hear of Shawna's passing. We went to school together and played together as kids, I'm sure you remember well. I remember Shawna's giggle and her spunk. I am deeply sorry for your loss.

“ Amy, I'm so sorry for your mom's passing. Tracy called to tell me. I went to the funeral home and when nobody was there I checked the web site which said you were at the church. I'm sorry I wasn't there for you.

“ Dear Sheila, Sharla and family, I'm so sorry to hear of Shawna's passing. I have very good memories of her when we were kids and the times she would come and watch us for mom and of course we loved it because she left us get away with everything and also I remember the cabins we used to make especially the rock cabin across the rail road tracks from your house and all the soft ball games we played. I will always hold those fond memories of those day's forever in my heart. Once again I'm so sorry and I will be praying that god comforts you and your family in the day's to come. Shawna may you rest in peace my friend and thank you for all the good childhood memories until we meet again.

“ To the family of Shawna,

We had some really good times when we were young. We played a lot of soft ball in their back yard. I remember the white horse and the dirt bike rides we took together and our pet cemetery accross the road from their house. The Goheen girls were a very special part of my life. This was a shock to me she along with Mary were so young. May the peace of our God be with you through this trying time. She was a good girl and I will always cherish the childhood memories with her. I know as we get older and married and such people move on but there is just something about when you are a kid and the memories you cherish.
