“ Growing up Sherri got on our nerves, and we got on hers. That's what siblings do. We would argue but we always made sure that we all made up and we never stopped saying "I love you".  
Your faith in God and your love for everyone made you shine brighter than the sun. You never met a stranger.  
I will miss that smile that you freely gave to anyone who walked into your life.  
You earned your wings, and although we will forever miss you, I am so happy you are free from the body that trapped you here on earth.  
Sing, dance, and rejoice Sherri! Nobody deserves it more than you!  
You will never be forgotten, and you will forever be loved. ❤️
