“ One of many family memories come to mind with Gary and Shirley was a trip to Gettysburg to see the sites ,arrived at campsite during the day, as night drew near the kids came running in to tells us a skunk was at our campsite, needless to say before bedtime the whole family of skunks at one count amounted to 12,was early bedtime for us all .When we talk about vacations with our girls it always comes back to this trip. Will meet up with you in heaven Shirl ,and the good times can begin again.
