“ Dear Annette, Mary and Andrea, It is with great sadness that your four aunts send their deepest and most sincere sympathy upon the passing of your dear mother.

We remember, our dear sister Stella, as a fun-loving up-beat person with a positive attitude! She was always laughing, whether it be about a story she was telling or about something stupid she did herself.

When she entered a room, it was usually with a smile and we sisters would always wonder what she was up to this time!! Life with Stella was never boring!!!

When it was time to take life seriously, she did. She was a good mother. She lived for her husband Andy and their three children, their 8 grandchildren and their 3 great-grandchildren. Her love for all of them was reciprocated three-fold by their love for her.

Our Stella was a true beauty, with slightly red hair! When she needed to look chic, she was right up there with Hollywood's best. But at heart, she was a true country girl. She yodeled when she milked our cow Bessy, she loved fishing - even preparing and eating her catch, and most of all, she loved visiting (then living) in their mountain home!! She loved living with nature. Even after her husband passed on, she continued living in their mountain home with her dog Andy!!

Yes, our Stella was a lovable character and we all shall miss her terribly. We send our love and hearty hugs to you and all of your children.

Aunts Anne, Rose, Jennie and Florence
