“ I first meet Stephanie many years ago at the Brookville Hospital. She was always so sweet and kind. Years later, she was my insurance agent. Whenever I called her to ask any questions she was always so patient, answering my many questions. Stephanie was the type of person that the minute you meet her, you immediately liked her. She touched many hearts. My deepest sympathy to the family.

“ We share with you in grief miles away, Steph was such a wonderful person and friend to the Romig family. I remember growing-up, my brother, Grant thought that Steph was the ultimate fun mom and teased our own mom about how the Rhoades' house was the house to be at for the best food and most fun. It was obvious that Steph loved her family very much and was a great friend to those who had the privilege to call her friend. You all will remain in our thoughts and prayers.

“ *I am so sorry to hear of Steph's passing. She was our insurance agent it seemed like I was always calling her about insurance question's. Steph and I would have a good laugh when she would return my call's about my insurance question's. I would often tell her I would bet that no one called her more than I did and she would just say that's my job that's what I'm here for . She was always so bubbly and seemed so full of life when I was around her. She will be missed. I will be praying for the family in the day's to come that's God gives you a peace and comfort.
